

GUILTY PLEA and PLEA AGREEMENT

United States Attorney
Northern District of Georgia

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF GEORGIA
ROME DIVISION

CRIMINAL NO. 4:14-CR-011-HLM-WEJ (SUPERSEDING)

The United States Attorney for the Northern District of Georgia ("the Government") and Defendant Terry Eugene Peace, enter into this plea agreement as set forth below in Part IV pursuant to Rule 11 (c)(1)(B) of the Federal Rules of Criminal Procedure. Terry Eugene Peace, Defendant, having received a copy of the above-numbered Superseding Indictment and having been arraigned, hereby pleads GUILTY to Count 2.

I. ADMISSION OF GUILT

1. The Defendant admits that he is pleading guilty because he is in fact guilty of the crimes charged in Count 2.

II. ACKNOWLEDGMENT & WAIVER OF RIGHTS

2. The Defendant understands that by pleading guilty, he is giving up the right to plead not guilty and the right to be tried by a jury. At a trial, the Defendant would have the right to an attorney, and if the Defendant could not afford an attorney, the Court would appoint one to represent the Defendant at trial and at every stage of the proceedings. During the trial, the Defendant would be presumed innocent and the Government would have the burden of proving him guilty beyond a reasonable doubt. The Defendant would have the

right to confront and cross-examine the witnesses against him. If the Defendant wished, he could testify on his own behalf and present evidence in his defense, and he could subpoena witnesses to testify on his behalf. If, however, the Defendant did not wish to testify, that fact could not be used against him, and the Government could not compel him to incriminate himself. If the Defendant were found guilty after a trial, he would have the right to appeal the conviction.

3. The Defendant understands that by pleading guilty, he is giving up all of these rights and there will not be a trial of any kind.

4. By pleading guilty, Defendant also gives up any and all rights to pursue any affirmative defenses, Fourth Amendment or Fifth Amendment claims, and other pretrial motions that have been filed or could have been filed.

5. The Defendant also understands that he ordinarily would have the right to appeal his sentence and, under some circumstances, to attack the conviction and sentence in post-conviction proceedings. By entering this Plea Agreement, the Defendant may be waiving some or all of those rights to appeal and to collaterally attack his conviction and sentence, as specified below.

6. Finally, the Defendant understands that, to plead guilty, he may have to answer, under oath, questions posed to him by the Court concerning the rights that he is giving up and the facts of this case, and the Defendant's answers, if untruthful, may later be used against him in a prosecution for perjury or false statements.

III. ACKNOWLEDGMENT OF PENALTIES

7. The Defendant understands that, based on his plea of guilty, he will be subject to the following maximum and mandatory minimum penalties:

As to Count 2 (18 U.S.C. § 2332a)

- a. Maximum term of imprisonment: Life.
- b. Mandatory minimum term of imprisonment: None.
- c. Term of supervised release: up to 5 years.
- d. Maximum fine: \$250,000.00, due and payable immediately.
- e. Mandatory special assessment: \$100.00, due and payable immediately.
- f. Forfeiture of any and all proceeds from the commission of the offense, any and all property used or intended to be used to facilitate the offense, and any property involved in the offense.

8. The Defendant understands that, before imposing sentence in this case, the Court will be required to consider, among other factors, the provisions of the United States Sentencing Guidelines and that, under certain circumstances, the Court has the discretion to depart from those Guidelines. The Defendant further understands that the Court may impose a sentence up to and including the statutory maximum as set forth in this paragraph and that no one can predict his exact sentence at this time.

IV. PLEA AGREEMENT

9. The Defendant, his counsel, and the Government, subject to approval by the Court, have agreed upon a negotiated plea in this case, the terms of which are as follows:

Dismissal of Counts

10. The Government agrees that, upon the entry of the Judgment and Commitment Order, any and all remaining counts in the above-styled case still pending against Defendant shall be dismissed pursuant to Standing Order No. 07-04 of this Court and to Rule 48(a) of the Federal Rules of Criminal Procedure. The Defendant understands that the Probation Office and the Court may still consider the conduct underlying such dismissed counts in determining relevant conduct under the Sentencing Guidelines and a reasonable sentence under Title 18, United States Code, Section 3553(a).

Sentencing Guidelines Recommendations

11. Based upon the evidence currently known to the Government, the Government agrees to make the following recommendations and/or to enter into the following stipulations.

Acceptance of Responsibility

12. The Government will recommend that the Defendant receive the two-level adjustment for acceptance of responsibility pursuant to Section 3E1.1 of the Sentencing Guidelines, and the additional one-level adjustment if the offense level is 16 or higher. However, the Government will not be required to

recommend acceptance of responsibility if, after entering this Plea Agreement, the Defendant engages in conduct inconsistent with accepting responsibility. Thus, by way of example only, should the Defendant falsely deny or falsely attempt to minimize Defendant's involvement in relevant offense conduct, give conflicting statements about Defendant's involvement, fail to pay the special assessment, fail to meet any of the obligations set forth in the Financial Cooperation Provisions set forth below, or participate in additional criminal conduct, including unlawful personal use of a controlled substance, the Government will not be required to recommend acceptance of responsibility.

13. The Government will recommend, and Defendant agrees that Defendant will receive the adjustment pursuant to Section 3A1.4, also known as the Terrorism Enhancement. Furthermore, the parties agree that the adjusted offense level is 32. However, if that offense level is determined to be higher than 32, that does not serve as a basis for Defendant to withdraw his guilty plea.

**Right to Answer Questions, Correct Misstatements,
and Make Recommendations**

14. The parties reserve the right to inform the Court and the Probation Office of all facts and circumstances regarding the Defendant and this case, and to respond to any questions from the Court and the Probation Office and to any misstatements of fact or law. Except as expressly stated elsewhere in this Plea Agreement, the parties also reserve the right to make recommendations regarding application of the Sentencing Guidelines. The parties understand,

acknowledge, and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed.

Right to Modify Recommendations

15. With regard to the Government's recommendation as to any specific application of the Sentencing Guidelines as set forth elsewhere in this Plea Agreement, the Defendant understands and agrees that, should the Government obtain or receive additional evidence concerning the facts underlying any such recommendation, the Government will bring that evidence to the attention of the Court and the Probation Office. In addition, if the additional evidence is sufficient to support a finding of a different application of the Guidelines, the Government will not be bound to make the recommendation set forth elsewhere in this Plea Agreement, and the failure to do so will not constitute a violation of this Plea Agreement.

Cooperation

General Requirements

16. The Defendant agrees to cooperate truthfully and completely with the Government, including being debriefed and providing truthful testimony at any proceeding resulting from or related to Defendant's cooperation. Defendant agrees to so cooperate in any investigation or proceeding as requested by the Government. Defendant agrees that Defendant's cooperation shall include, but not be limited to:

- a. producing all records, whether written, recorded, electronic, or machine readable, in his actual or constructive possession, custody, or control, of evidentiary value or requested by attorneys and agents of the Government;
- b. making himself available for interviews, not at the expense of the Government if he is on bond, upon the request of attorneys and agents of the Government;
- c. responding fully and truthfully to all inquiries of the Government in connection with any investigation or proceeding, without falsely implicating any person or intentionally withholding any information, subject to the penalties of making false statements (18 U.S.C. § 1001), obstruction of justice (18 U.S.C. § 1503) and related offenses;
- d. when called upon to do so by the Government in connection with any investigation or proceeding, testifying in grand jury, trial, and other judicial proceedings, fully, truthfully, and under oath, subject to the penalties of perjury (18 U.S.C. § 1621), making false statements or declarations in grand jury or court proceedings (18 U.S.C. § 1623), contempt (18 U.S.C. §§ 401 - 402), obstruction of justice (18 U.S.C. § 1503), and related offenses.

The Defendant understands that the Government alone will determine what forms of cooperation to request from the Defendant, and the Defendant agrees

that Defendant will not engage in any investigation that is not specifically authorized by the Government.

Consent to Contact

17. The Defendant and Defendant's counsel agree that Government attorneys and law enforcement agents may contact the Defendant without notifying and outside the presence of Defendant's counsel for purposes relevant to the Defendant's cooperation.

Section 1B1.8 Protection

18. Pursuant to Section 1B1.8 of the Sentencing Guidelines, the Government agrees that any self-incriminating information that was previously unknown to the Government and is provided to the Government by the Defendant in connection with Defendant's cooperation and as a result of this Plea Agreement will not be used in determining the applicable sentencing guideline range, although such information may be disclosed to the Probation Office and the Court. The Government also agrees not to bring additional charges against the Defendant, with the exception of charges resulting from or related to violent criminal activity, based on any information provided by the Defendant in connection with cooperation that was not known to the Government prior to the cooperation. However, if the Government determines that the Defendant has not been completely truthful and candid in his cooperation with the Government, he may be subject to prosecution for perjury, false statements, obstruction of justice, and any other appropriate charge, and all information Defendant has provided

may be used against Defendant in such a prosecution. Furthermore, should the Defendant withdraw his guilty plea in this case and proceed to trial, the Government is free to use any statements and/or other information provided by the Defendant, pursuant to the Defendant's cooperation, as well as any information derived therefrom, during any trial or other proceeding related to the Government's prosecution of the Defendant for the offense(s) charged in the above-numbered Count 2.

Conditional Section 5K/Rule 35 Motion

19. The Government agrees to make the extent of the Defendant's cooperation known to the sentencing court. In addition, if the cooperation is completed before sentencing and the Government determines that such cooperation qualifies as "substantial assistance" pursuant to Title 18, United States Code, Section 3553(e) and/or Section 5K1.1 of the Sentencing Guidelines, the Government will file a motion at sentencing recommending a downward departure from the applicable guideline range. If the cooperation is completed after sentencing and the Government determines that such cooperation qualifies as "substantial assistance" pursuant to Rule 35(b) of the Federal Rules of Criminal Procedure, the Government will file a motion for reduction of sentence. In either case, the Defendant understands that the determination as to whether Defendant has provided "substantial assistance" rests solely with the Government. Good faith efforts by the Defendant that do not substantially assist

in the investigation or prosecution of another person who has committed a crime will not result in either a motion for downward departure or a Rule 35 motion. The Defendant also understands that, should the Government decide to file a motion pursuant to this paragraph, the Government may recommend any specific sentence, and the final decision as to what credit, if any, the Defendant should receive for Defendant's cooperation will be determined by the Court. If the Defendant fails to cooperate truthfully and completely, or if the Defendant engages in additional criminal conduct or other conduct inconsistent with cooperation, Defendant will not be entitled to any consideration whatsoever pursuant to this paragraph.

Sentencing Recommendations

Specific Sentence Recommendation

20. The Government agrees to recommend that the Defendant be sentenced within the adjusted guideline range.

Fine--No Recommendation As To Amount

21. The Government agrees to make no specific recommendation as to the amount of the fine to be imposed on the Defendant within the applicable guideline range.

Forfeiture

22. As to the forfeiture aspect of this case, the Defendant acknowledges that all assets, particularly firearms, seized from him and/or from his residence are subject to forfeiture pursuant to Title 18, United States Code, Section 981 (a)(1)(G)

and that a forfeiture order has been entered against some of the firearms in the parallel civil action, United States v. 15 Miscellaneous Firearms, et al., Civil Action No. 4:14-cv-0211-HLM.

23. The Defendant waives and abandons all right, title, and interest in all of the property referred to in paragraph 22, above, and agrees to the judicial forfeiture of said property. In addition, the Defendant waives and abandons his interest in any other property that may have been seized in connection with this case. The Defendant agrees to the administrative or judicial forfeiture or the abandonment of any seized property.

24. The Defendant agrees not to file any claim, answer, or petition for remission or restitution in any administrative or judicial proceeding pertaining to the property referred to paragraph 22, above, and if such a document has already been filed, the Defendant hereby withdraws that filing.

25. The Defendant agrees to hold the United States and its agents and employees harmless from any claims made in connection with the seizure, forfeiture, or disposal of property connected to this case. The Defendant acknowledges that the United States will dispose of any seized property, and that such disposal may include, but is not limited to, the sale, release, or destruction of any seized property. The Defendant agrees to waive any and all constitutional, statutory, and equitable challenges in any manner (including direct appeal, a Section 2255 petition, habeas corpus, or any other means) to the

seizure, forfeiture, and disposal of any property seized in this case, including the property referred to in paragraph 22, above, on any grounds.

Financial Cooperation Provisions

Special Assessment

26. The Defendant understands that the Court will order him to pay a special assessment in the amount of \$100.

Fine/Restitution - Terms of Payment

27. The Defendant agrees to pay any fine and/or restitution imposed by the Court to the Clerk of Court for eventual disbursement to the appropriate account and/or victim(s). The Defendant also agrees that the full fine and/or restitution amount shall be considered due and payable immediately. If the Defendant cannot pay the full amount immediately and is placed in custody or under the supervision of the Probation Office at any time, he agrees that the custodial agency and the Probation Office will have the authority to establish payment schedules to ensure payment of the fine and/or restitution. The Defendant understands that this payment schedule represents a minimum obligation and that, should Defendant's financial situation establish that he is able to pay more toward the fine and/or restitution, the Government is entitled to pursue other sources of recovery of the fine and/or restitution. The Defendant further agrees to cooperate fully in efforts to collect the fine and/or restitution obligation by any legal means the Government deems appropriate. Finally, the Defendant and his counsel agree that the Government may contact the Defendant regarding the

collection of any fine and/or restitution without notifying and outside the presence of his counsel.

Recommendations/Stipulations Non-binding

28. The Defendant understands and agrees that the recommendations of the Government incorporated within this Plea Agreement, as well as any stipulations of fact or guideline computations incorporated within this Plea Agreement or otherwise discussed between the parties, are not binding on the Court and that the Court's failure to accept one or more of the recommendations, stipulations, and/or guideline computations will not constitute grounds to withdraw his guilty plea or to claim a breach of this Plea Agreement.

Limited Waiver of Appeal

29. LIMITED WAIVER OF APPEAL: To the maximum extent permitted by federal law, the Defendant voluntarily and expressly waives the right to appeal his conviction and sentence and the right to collaterally attack his conviction and sentence in any post-conviction proceeding (including, but not limited to, motions filed pursuant to 28 U.S.C. § 2255) on any ground, except that the Defendant may file a direct appeal of an upward departure or upward variance above the sentencing guideline range as calculated by the district court. Claims that Defendant's counsel rendered constitutionally ineffective assistance are excepted from this waiver. The Defendant understands that this Plea Agreement does not limit the Government's right to appeal, but if the Government initiates a

direct appeal of the sentence imposed, the Defendant may file a cross-appeal of that same sentence.

Miscellaneous Waivers

FOIA/Privacy Act Waiver

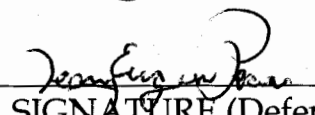

30. The Defendant hereby waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, Title 5, United States Code, Section 552, or the Privacy Act of 1974, Title 5, United States Code, Section 552a.

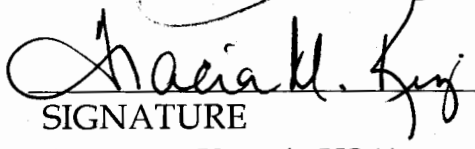

No Other Agreements

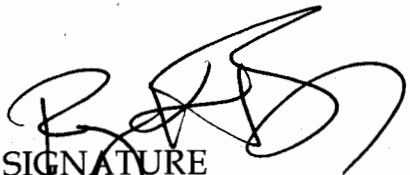

31. There are no other agreements, promises, representations, or understandings between the Defendant and the Government.

I have read the Superseding Indictment against me and have discussed it with my attorney. I understand the charges and the elements of each charge that the Government would have to prove to convict me at a trial. I have read the foregoing Plea Agreement and have carefully reviewed every part of it with my attorney. I understand the terms and conditions contained in the Plea Agreement, and I voluntarily agree to them. I also have discussed with my attorney the rights I may have to appeal or challenge my conviction and sentence, and I understand that the appeal waiver contained in the Plea Agreement will prevent me, with the narrow exceptions stated, from appealing my conviction and sentence or challenging my conviction and sentence in any post-conviction proceeding. No one has threatened or forced me to plead guilty, and no promises or inducements have been made to me other than those discussed in the Plea Agreement. The discussions between my attorney and the Government toward reaching a negotiated plea in this case took place with my permission. I am fully satisfied with the representation provided to me by my attorney in this case.
